

Communication

The Issues:

Availability of information about events, activities, services and clubs within the area.

Background

The need for a focal meeting place with a central information point was identified in the PP questionnaire.

The idea of a Welcome Pack to be distributed to all estate agents who could pass them on to people buying houses in the parish has been suggested.

The Parish Council newsletter is available quarterly, free of charge, and is delivered to as many households as possible in the parish as well as being available in shops, schools and the doctors' surgery. A parish council website was established in 2006.

Partners:

Parish Council, BDMC
Local Estate Agents, Activity organisers.

- 2b) Encourage groups to post contact details on the PC website and to contact the Clerk when amendments need to be made.
- 3) Compile a Welcome Pack.
- 4) Develop and extend the parish council website.
