18/04 Any Other Business:

Cllr Lambert reported that Eastburn Playing Fields is not fit for purpose in terms of being constantly water logged. Cllr Lambert to conduct a full site evaluation & to be delivered at the Parish Council meeting.

The bases to nearly all the kit are under mud & water – need to look at supplier warranty on these products.

Cllr Lambert stated a developer has planning permission to build two houses & requested planning permission for a further two more on land adjacent to Eastburn Playing Fields. Indications are to replace the remaining boundary wall to the west side in a wood fence rather than stone. Developer has rebuilt the wall but stopped at house No. 12. Currently the rest of the stone wall is lying on the ground. Parish Council to ask for a condition to be placed on the rest wall to be built in stone rather than wood.
