Insurance

Our insurers have advised us that when The Community Hub premises are hired, or leased to 'outside organisations' whose activities are not directly under the control of the Management Committee, then the organisers, or leaders of such organisations should be advised to arrange liability insurance with their own insurers in respect of their legal responsibilities in connection therewith. By signing this document you acknowledge that it is you/your organisation's responsibility to indemnify the Parish Council against loss, including against claims arising from third parties, and require that you carry liability insurance with a public liability limit of at least £2,000,000. The Parish Council is not liable for any bodily injury, or loss, or damage to the property of visitors during the hirer's use of the premises.

Security

When an organisation is in sole occupation of the premises a person should accept responsibility as the key holder for the duration of the booking.

Before leaving the premises unoccupied on any occasion, or for any reason, all doors and windows must be secured, alarm must be set, internal fire doors closed and all lights switched off. Any arrangements made for the return of the keys must be strictly adhered to.

The Parish Council believes that the premises are safe; the word premises here include pathways, car parks and surrounding grounds. If hazards become apparent you are required to let the council know.

Any accident occurring within the Hub, or Hub grounds, must be reported to the Management Committee and an entry made in the Accident Book in the kitchen.

All hirers of the premises should ensure that the KEYHOLDER makes themselves familiar with the positions and operation of fire exits, alarms and extinguishers.
